STATE-OF-THE-ART DIGITAL PICTURE FRAME
AND TOUCHSCREEN KEYPAD IN ONE

Picture-Perfect Security

Honeywell

Absolutely Brilliant

Introducing TouchCenter, the picture-perfect security solution from Honeywell.

The innovative touchscreen functions as a digital picture frame and keypad in one—featuring a stunning, high-resolution display that showcases your photos in vivid, eye-popping detail, a choice of stylish silver, black or white housings and intuitive prompts that simplify security system operation by guiding you every step of the way. You can even display system status in a choice of six languages.

TouchCenter. Just another brilliant idea from Honeywell.

TouchCenter boasts the sharpest, highest-density security touchscreen display in the industry—letting you show off your treasured photos with the same glorious, real-life detail and vibrant colors as high quality prints.

- Brilliant, high-resolution 640 x 480 TFT screen brings out the best in your photos—supporting up to 64,000 colors
- Easily upload photos with the same SD card from your digital camera
- Create and edit cinema-quality slideshows with a simple press of the touchscreen

Security Made Simple

Whether arming or disarming the system, bypassing zones, accessing the event log or controlling lights and appliances, TouchCenter makes operation crystal clear, with no complicated commands to remember or blinking lights to interpret.

Sleek, Stylish Design

A choice of three cutting-edge colors—silver, black or white—make your pictures pop and let you match every décor or room.

We Speak Your Language

TouchCenter can display system status in six languages—English, European Spanish, Latin American Spanish, French Canadian, Italian or Portuguese. Touch Center can even announce the type and location of an alarm to help you act quickly in the event of an emergency.*

Picture the Possibilities

TouchCenter's digital picture frame and brilliant, intuitive touchscreen keypad are an unbeatable combination—letting you showcase your photos with style, add state-of-the-art security to your home and enjoy lifestyle-enhancing benefits you won't find anywhere else. Just picture what it can do for you! Ask your security professional for details today.

**Voice annunciation option available in English language only.*
